OFFICE PAYMENT POLICY

The following is an outline of our office payment policies. Please acquaint yourself with them and then sign below to acknowledge your understanding and acceptance of them.

FEES

Please feel free to discuss our fees with us at any time. Before any dental treatment begins, the patient and/or responsible party will receive a consultation regarding treatment plan and cost. We attempt to keep our fees at a fair level that reflects the quality of care provided in our office. Prompt payment will enable us to keep our fees lower for everyone; therefore, payment is due at the time services are rendered. For procedures that take multiple appointments to complete, payment may be split up over the number of appointments required, however full payment must be remitted before delivery of final restoration or appliance.

We accept cash, check (returned check fee $20), Visa, MasterCard, and American Express.

INSURANCE ASSIGNMENT AND RELEASE

As a courtesy to our patients with insurance, we will file your insurance claim for you. I understand that the assignment of my insurance benefits will be sent directly to Advanced Dental Arts for services rendered. I understand that I am financially responsible for all charges whether or not paid by insurance. I authorize the use of my signature on all insurance submissions. Advanced Dental Arts may use my health care information and may disclose such information to secure my insurance reimbursement.

PAST DUE ACCOUNTS

Account aging begins the day your charges are incurred. Accounts that are ninety days past due will be turned over to a third party collection agency. This action will cause an additional fee of 45% of your unpaid balance to be added to your account. We dislike doing this and will do so only if all other efforts to collect your unpaid balance have failed. Once an account is turned over to collections, we will ask you to seek the services of another dentist and will no longer take responsibility for your family's dental care.

By signing below, I understand the above policy:
